

We're often asked how to introduce Yancy. The best way is by being excited and enthusiastic. We've put down a few ideas for you. you do not have to say this verbatim but it is a suggestion. Although Yancy's website is www.yancynotnancy.com, (and we'd love for you to share that with the audience), please don't introduce her as "YancynotNancy" but rather just her name, Yancy. Thank you!

INTRODUCTION

Yancy is a singer/songwriter, recording artist and worship leader from Nashville, TN. She has traveled the world sharing her music and leading worship for thousands.
